

a local co-op

WELCOME JUNE!

The trees are in full leaf, the flowers are blooming and the hummingbirds are back- it must be June! It is a beautiful time of the year here in Columbia County, we are lucky to live in a place that is rich with natural beauty. Our growers are getting busy! Now is the time that the Local Produce offerings pick up, and the abundance begins, and we are here for it. We are proud to offer the very best of Local & Organic & Sustainably Grown produce that Columbia County has to offer. We'll see you at the produce cooler!

NEW VENDOR MAP

We are happy to share that we have updated our Vendor map in the store. This was a suggestion that came out of our last Member-Owner Meeting.

It is helpful to see all the Local Vendors that we carry (60+) clearly, and their location in Columbia County or slightly beyond. As we add more local vendors, we will add them to the map. Take a look when you're next in the store!
